RE: Reference No. 1424

Gentlemen and Mrs. Bradbury:

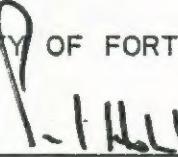

The Department of Purchases respectfully requests "Prior Approval" of Reference No. 1424, with respect to the purchase of a motorized fire pumper apparatus for the Fire Department. This will replace a mack truck that is past its effective usefulness. The current truck has increased maintenance costs and it is becoming difficult to locate parts. Quality Manufacturing has one open slot for January 1992, therefore the Department would like to request a "Prior Approval". The cost reflects the lowest and most responsive of six (6) vendors and should be awarded to Quality Manufacturing in the amount of \$92387.00+/- . This will be assigned a purchase order number upon Councilmanic approval.
